INGREDIENTS

(serves one)

75ml Ceders Pink Rose

75ml Pink Grapefruit Juice

20ml Raspberry Syrup

5ml Rose Water

Harrogate Spring Sparkling Water

Raspberries

Dried Rose Petals

METHOD

1. Add plenty of ice to your glass and add a 75ml measure of Ceder's Pink Rose.
2. Pour in the pink grapefruit juice, raspberry syrup, rose water and top up with Harrogate Spring sparkling water.
3. Garnish with raspberries and dried rose petals – et voila!

TOP TIP Harrogate's natural source water is great for making the perfect ice. An optimal balance of natural minerals and a neutral pH provides a well-rounded taste profile perfect for smooth fresh ice!
