Whilst regulations surrounding outdoor entertaining have been relaxed for Step 2 of the government's roadmap, clear guidelines remain for indoor dining.

Seating in the restaurant will be offered on a first come, first served basis and in line with current regulations regarding indoor dining we can accommodate a maximum of six people per table. Please note that under the current guidance we are not permitted to serve alcohol for indoor hospitality. Alcohol will be available to purchase via table service at the Seafood Terrace which is located between Cores A and B of the Grandstand on the Parade Ring walkway.

To reduce the risk of catching or spreading coronavirus, you should minimise time spent with people you do not live with, and when around other people ensure that you are two metres apart from anyone not in your household or support bubble. Where you cannot stay 2 metres apart you should stay more than 1 metre apart and take additional steps to stay safe.

We thank you in advance for following current guidance on how to meet safely which will allow us to remain compliant with current regulations, alongside offering the best owners experience possible.

Please also note;

- All Owners lunch bookings for the Old Paddock Restaurant will need to be made the day before racing via Olivia Hills, Owners' and Trainers' Manager, via the details below
- We don't reserve tables in advance as these are offered on a first come, first served basis
- Owners complimentary hospitality will only be available to those with declared runners on the day
